

Varilux TEC 4000

Reference# 88082-1

The classic-shaped Varilux Tec packs a mighty 4000 lumens, produced by a CREE quad LED – four LEDs in one! This output is possible for 1.5 hours, and if you move the magnetic slide switch down to the lowest setting (80 lumens), you're good for 24 hours.

We supply the Tec with a wrist mount, which features two comfortable webbing straps, a sturdy plastic torch base and a removable, adjustable rubber strap for securing the torch.

The wrist mount is also available separately and will equally work well with the Varilux Micro R and Travel II torches.

FEATURES

- Material: Anodised aircraft 6061 aluminium
- Colour: Black/silver
- LED: 1 x CREE XHP70
- LED lifespan: 100000h
- Brightness: 4000 lm
- Light colour: White
- Mode: High/dimming
- Battery: 26650 3.7 V, 4000 mAh
- Switch design: Magnetic slide switch
- Lens: Coated glass lens
- Size: 224x64x40mm (length x head diameter x tail diameter)
- Weight (torch): 404 g
- Weight (torch and batteries): 589g
- Weight (torch, batteries and charger): 794g
- Beam distance: 500m
- Peak beam intensity: 20000cd
- Impact resistance: 1m
- Depth rating: 100m
- Burn time : 1.5 hours-24 hours (4000lm-80lm)
