## **SeaLife Pro 50N**

An ergonomic and practical 50N lifejacket for commercial fishermen and anyone working on fish farms. SeaLife PRO 50N has been specially developed for those who need to continuously wear a lifejacket in their daily work. The lifejacket has been ergonomically designed and uses a unique lightweight buoyancy foam that is perforated to provide the best possible ventilation. For extra comfort, the foam is also split in panels to provide good freedom of movement. Its many practical details make this a comfortable and functional working lifejacket.
