

## **ChemSuit Anti-contamination**

Reference# 84151-01300L

## **ChemSuit - protection from virus contamination**

The suit is produced to protect personnel who may be exposed to virus and chemicals. Recommended for ADR transport. Suit without boots, manufactured in fluorescent color for visibility. The suit is resistant to chemicals, flame resistant and anti-static. Delivered in 4 sizes, M to XXL, - also available in sizes XS and S when ordered specially.

### **Facts**

- Fixed hood
- Front opening with internal "fan" and velcro closure. Gives protection against splash.
- Sleeve cuffs with elastic
- Extra outer cuff for glove protection
- Environment friendly, alternative to disposable protection
