

## **Transparent protection wall for cars**

Reference# 36880-05920

Practical and flexible infection protection for taxi drivers. A glass-clear soft plastic wall that is easily adapted to any car model.

Protects the driver from infection from passengers in the back seat.

Easily mounted in any car without adjustments to the interior. The clear plastic can be cut with scissors for individual fitting. Will not reduce visibility in the rear view mirror.

- Disassembled easily if required.
- Wash with soap and water or disinfectant.
