Crewfit 150N XD

Latest developments from Crewsaver's continual programme of research and development brings you a traditionally designed lifejacket that incorporates modern day technology.

The Crewfit 150N XD offers the ultimate in advanced comfort and performance technologies. Using a modular design the XD offers a choice of covers, inflation and harness options to best suit your requirements.

Constructed using a heavy duty 500D cover to maintain longevity of the lifejacket. An external indicator window with protective panel and Pro-Sensor Elite automatic firing mechanism means the status of the lifejacket can be checked by the user before use.
