## **Crewfit 150N XD with Safety Harness**

Latest developments from Crewsaver's continual programme of research and development brings you a traditionally designed lifejacket that incorporates modern day technology.

The Crewfit 150N XD offers the ultimate in advanced comfort and performance technologies. Using a modular design the XD offers a choice of covers, inflation and harness options to best suit your requirements.

Constructed using a heavy duty 500D cover to maintain longevity of the lifejacket. An external indicator window with protective panel and UML ProSensor firing mechanism means the status of the lifejacket can be checked by the user before use.
