

Seacrewsader 275N 3D Fire Retardant

Reference# 83220

Seacrewsader 275N 3D FR (Solass)

Designed for extreme working environments and appropriate for abandonment purposes, the Seacrewsader 275N 3D FR lifejacket is the right choice for workers performing welding on offshore platforms and vessels operating under SOLAS regulations.

Developed for comfort as well as performance, this ergonomically moulded lifejacket enhances the wearer's freedom of movement, leaving them unhindered to move, work and perform. However, should an emergency arise and the wearer finds themselves in the water, they will discover that the sculpted bladder is designed to inflate quickly and reliably - even when heavy work gear and clothing is worn. The unique buoyancy distribution provides top-of-the-range turning properties to efficiently rotate the wearer to a face up position in the water - whilst further protecting the airway by increasing mouth freeboard and improving both body angle and face plane.

Facts

- The ergonomic Fusion 3D design moulds to the shape of your body for maximum comfort
- Durable cover
- Unique bladder distribution for constant wear comfort and enhanced in-water performance
- Modular cover system - covers can be replaced if damaged or a change in application is required
- Foam padded cover for added protection
- Alternative cover options available
- EXOLOK provides a clear indication if the cylinder moves, becomes unscrewed or is tampered with
- Intuitive twin waist adjusters to ensure a correct fit
- Adjustable dual crotch straps to eliminate ride up
- Dual lifting becket to aid recovery Indicator window fitted with a protective panel for quick glance firing mechanism inspection
- Unique buoyancy distribution helps turn you quickly when in the water
- 2 x inspection zips for inflation mechanism (and beacon status if fitted)
- UML ProSensor Elite firing mechanism

Product Detail

Lifejacket	<i>For shipping & offshore</i>
Type of PFD/class	<i>Inflatable lifejacket 275N Solas</i>
Area of application	<i>Multi-purpose Shipping</i>
Buoyancy	<i>Minimum 290N</i>
Material	<i>Molten proof</i>
Adjustments	<i>Waistbelt max 175 cm - min 75 cm</i>
Fit / Ergonomics	<i>Fusion 3D Design</i>
Colour	<i>Silver</i>
Reflective material	<i>IMO Solas</i>
Bladder construction	<i>Symmetrical with chin support</i>
Firing mechanism	<i>Water activated UML ProSensor Elite x 2</i>
Sprayhood	<i>Yes</i>
Buddy line	<i>Yes</i>
Whistle	<i>Yes</i>
Emergency light	<i>IMO Solas, water activated</i>
Deck Safety Harness	<i>Yes, with D-ring in stainless steel</i>
Buckle	<i>Stainless steel buckle</i>
Cover closure	<i>Zipper with Quick Burst functionality</i>
Compatibility	<i>Yes, IMO with IMO suit</i>
CO₂-cylinder(s)	<i>60g CO₂ (2 pcs)</i>
Service interval (standard)	<i>1 year</i>
Certifications SOLAS lifejacket	<i>275N</i>
Crotch strap	<i>Double</i>
Inflatable bladder	<i>Double</i>
Waist belt min-max length	<i>Min 75 cm - max 175 cm</i>
