

Yak Xipe 60N

Reference# 83241-140S/M

Xipe 60N

River calm or choppy sea, the Xipe 60N is the perfect fit for touring without tiring. Its high cut slim line design, adjustable shoulders and concealed waist belt together ensure a great fit with excellent arm mobility. With a built-in hydration pack pocket, it's a comfortable, practical solution for everyday paddling.

Facts

- Compact low-profile foam shape ensures maximum freedom of movement with minimum bulk
- Easily adjustable shoulders, sides and waist provide a tailored fit
- High quality, robust materials that can be trusted, whatever your adventure
- Internal waist 'grip-strip' eliminates annoying garment ride up
- Reflective details keep you visible in low light
- Multiple pockets to hold all your essential equipment STORAGE
- Double front pockets so that your communication equipment is always close to hand
- Phone/Radio/PLB compatible
- Internal mesh pocket and attachment points for added security
- Hydration pack pocket with top hanging point, fits most bladders up to 2.5L (not supplied)
- Double zip sliders allow custom exit points for aerials/lanyards/hydration hose
