

SeaLife Basic 50

Reference# 82994-XL

SeaLife Basic 50N

SeaLife Basic is a simpler version of our SeaLife PRO lifejacket. It has been stripped of some of the features of the PRO version but still offers good-value with many practical details. SeaLife Basic has an ergonomic design and uses 50N lightweight buoyancy foam. The lifejacket is ISO 12402-5 certified.

Facts

- ISO 12402-5 approved Light weight buoyancy foam
