

Crewfit 275N XD Manual

Reference# 83213

Crewfit 275N XD Manual

- is an inflatable lifejacket which offers the ultimate advanced comfort and performance technologies. The modular design creates a comprehensive catalogue including a choice of covers, inflation and harness options.

Fusion 3D technology provides complete freedom of movement and ensures the lifejacket remains comfortable even during long periods of use, whilst the unique design with built-in twin waist adjusters allows for easy donning.

It's what's inside that counts: The 275N bladder outperforms approval and offers 290N worth of buoyancy. The unique buoyancy distribution provides exceptional turning solutions even when wearing heavy clothing. The bladder is highly visible on inflation and hosts an impressive array of features including built-in chin support, location beacon attachment points and dual lifting becket.

Crewfit 275N XD Manual is available in versions with and without safety harness. The version with ISO-approved deck safety harness version is equipped with a stainless steel buckle and D-ring for attachment of safety line. The version without safety harness is equipped with a standard waistbelt with plastic buckle.

Facts

- Modular, heavy duty outer cover ideal for busy commercial environments
- EXOLOK provides a clear indication if the cylinder moves, becomes unscrewed or is tampered with
- The ergonomic Fusion 3D design moulds to the shape of your body for maximum comfort
- Intuitive twin waist adjusters to ensure a correct fit
- Choose between standard waist belt and ISO-approved safety harness compatible with safety line
- Removable dual crotch straps to eliminate ride-up
- Dual lifting becket to aid recovery
- Indicator window fitted with a protective panel for quick glance firing mechanism inspection
- Unique buoyancy distribution helps turn you quickly when in the water
- UML ProSensor Elite firing mechanism (manual)

Product Detail

Lifejacket	<i>Lifejacket work</i>
Type of PFD/class	<i>Inflatable lifejacket 275N</i>
Area of application	<i>Civil Service/ Rescue Services/ Armed Forces</i>
Buoyancy	<i>Minimum 290N</i>
Adjustments	<i>Crotch Strap Waist - both sides</i>
Fit / Ergonomics	<i>Ergonomic Fusion 3D Design</i>
Colour	<i>Red</i>
Reflective material	<i>IMO Solas</i>
Bladder construction	<i>Symmetrical with chin support</i>
Operating head	<i>Manual</i>
Lifting becket/loop	<i>Yes. double</i>
Whistle	<i>Yes</i>
Inspection facility for inflation mechanism	<i>Yes, easily accessible under flap closed by zip/velcro on front cover</i>
Deck Safety Harness	<i>Choose between waistbelt with and without safety harness</i>
Buckle	<i>Stainless Steel (for variant with safety harness)</i>
Cover closure	<i>Zipper with Quick Burst functionality</i>
Compatibility	<i>Yes, ISO with ISO suit</i>
CO₂-cylinder(s)	<i>60g CO₂ (1 pc)</i>
Service interval (standard)	<i>1 year (professional use) 2 year (leisure)</i>
Certifications ISO	<i>ISO 12402-2 Lifejackets for extreme offshore conditions (275N)</i>
Crotch strap	<i>Double</i>
Cylinder security system	<i>Yes, EXOLOK</i>

Certificates

ISO 275N
