

SeaLife TP (Thermal Protection)

Reference# 82970-01290STD

SeaLife TP

SeaLife TP is available in adult and child versions and is certified in accordance with the latest requirements of the Norwegian Maritime Authority (NMA) for thermal lifejackets. It is equipped with insulation that counters hypothermia by reducing heat loss from the head, neck, chest and groin. It also has a compact and space-saving design for optimal use of storage space on board.

Facts

- Wheelmarked lifejacket with neoprene jacket for insulation and reduced risk of heat loss from the head, neck, chest and groin
- Reduced risk of cold shock
- Donned as a regular jacket
- "Impossible" to slip out of when correctly donned
- Provides good field of vision and freedom of movement
- Type Examined by DNV on behalf of NMD
- 3 Sizes:
 - Baby: <15 kg
 - Child: 15 - 43 kg
 - Adult: >43 kg
