

SeaBreeze CTV

Reference# 85386-10350L

SeaBreeze CTV

A robust, light weight 1-hour work and survival suit for difficult and demanding environments. Designed with focus on ergonomics and comfort, it allows 100% freedom of movement. Made of durable super-breathable material. The suit is ideal for use on board merchant vessels and for transport to and from sea wind farms. For easy integration of safety equipment such as a harness and/or lifejacket, the suit is clean on the chest and back. It has reinforcements in the seat and knees and padding on the lower arms.

Facts

- Ergonomic – pre-shaped Y-construction offers excellent freedom of movement
- Breathability – durable HP Superlight fabric with excellent breathable properties
- Lightweight shell to reduce weight
- Waterproof zip in neoprene neck seal for easy donning and comfort
- Roomy watertight pockets placed on each thigh to ensure ease of access
- For easy integration with safety equipment such as harness and/or SeaLion lifejacket, the suit has no details on chest and back
- Socks
- Separate soft comfortable neoprene hood stored in back pocket
- 5 finger neoprene gloves stored in sleeve pockets
- Knee and seat reinforcement
- SOLAS approved 1 hr <5°C water temperature
- ISO 15027-approved 1 hr <5°C or 2 hrs <10°C water temperature
- Should be used with compatible SOLAS- or ISO-lifejacket according to user area

Product Detail

Area of application	<i>Multi-purpose</i>
Material	<i>HP Superlight 3L</i>
Main zipper type	<i>Soft PU/plastic with teeth, open</i>
Neck seal	<i>Neoprene standard</i>
Fit / Ergonomics	<i>Articulated knees Ergonomic Sleeves constructed in Y-shape for mobility</i>
