

E 300-2 Anti-exposure Work Suit (AES)

Reference# 85134-10290L

E 300-2 Anti-exposure Work Suit (AES)

This suit has been in active service for over 25 years and is still a favorite amongst offshore workers. Designed for demanding work on deck and for rescue personnel during evacuation of ships, as well as for use in MOB boats. 100% waterproof and flame-retardant outer material, with flotation foam that both insulates and provides buoyancy. A very solid work suit with steel toe-capped boots. The suit is certified for use without a lifejacket.

Facts

- For heavy duty work on deck, in case of evacuation and for MOB operations
- Detachable inner lining in 3mm buoyancy foam with closed cells for insulation and buoyancy
- Unique double layer hood - inner part in neoprene for insulation and outer layer in suit fabric for wind protection
- Solid waterproof zip (metal)
- Reinforcements in PU on elbows, knees and seat
- Integral work boots with protective steel cap
- 3-finger gloves in sleeve pockets
- Zip and elastic panels in legs for tight fit
- Buddy line with floating hook
- Whistle and emergency light
- Double entry pockets on both thighs
- 9 reflective patches
- SOLAS approved and in accordance with LSA-code MED 1.6c as a Anti Exposure Suit (AES), designed to be worn without a lifejacket

Product Detail

Area of application	<i>Multi-purpose</i>
Type of suit	<i>Work suit</i>
Material	<i>PU-coated Nylon/Oxford 2L</i>
Lining	<i>Yes, inherent buoyancy (zip-in) in 3mm soft foam with closed cells</i>
Adjustments	<i>Leg thightensers with zipper for good fit</i>
Main zipper type	<i>Metal, open</i>
Colour	<i>Orange</i>
Reflective material	<i>IMO Solas</i>
Pockets	<i>Radio pocket Sleeve pockets Spacious cargo pockets on each thigh</i>
Hood	<i>Integral in suit material combined with neoprene</i>
Gloves	<i>3-finger neoprene (detachable)</i>
Lifting becket/loop	<i>Yes, with D-ring and carbine hook in stainless steel</i>
Buddy line	<i>Yes, with floating carbine hook</i>
Whistle	<i>Yes</i>
Emergency light	<i>IMO Solas, water activated</i>
Boots / socks	<i>PU boots w/steel toe - may be used with swim fins</i>
Reinforcement knee	<i>Additional layer of reinforcement material</i>
Reinforcement elbow	<i>Additional layer of reinforcement material</i>
Reinforcement in seat	<i>Additional layer of reinforcement material</i>
Wrist seals	<i>Neoprene with velcro adjustment</i>
Compatibility	<i>May be used without lifejacket</i>
Thermal protection with lining/inherent insulation	<i>1 hour (IMO/Solas less than 5°C watertemp)</i>
Service interval (standard)	<i>3 year</i>
Certifications SOLAS-suit (w/integral buoyancy)	<i>Solas MED/1.6c (anti exposure suit without lifejacket)</i>

Certificates
